OFFICE OF THE CITY MANAGER

NO. LTC #

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

Eric Carpenter for

DATE: June 2, 2016

SUBJECT: **Flamingo Park Pool Temporary Closure for Deck Repairs**

The purpose of this LTC is to notify the City Commission that the Flamingo Park Pool will be temporarily closing to complete necessary deck repairs.

The Flamingo Park Pool recently received several repairs, but unfortunately the new deck surface is hotter to the touch than anticipated. As a result, the Parks and Recreation Department has contacted the manufacturer and the entire pool deck will receive a top layer of the material which will be lighter in color. The color that will be applied will be the same blue/beige that was part of the previous deck surface.

The project is scheduled to commence on Monday, June 6th and the pool will reopen as soon as possible. Our target day to reopen is no later than Monday, June 13th, weather permitting.

Pool users will be notified in advanced and invited to use the Scott Rakow Youth Center Pool and Normandy Isle Pool during the closure.

Should you have additional questions, please contact John Rebar at (305) 673-7730.
