NEIGHBORHOOD LEADERSHIP ACADEMY

Hosted by the City of Miami Beach

Would you like to be an empowered community leader?

Would you like to have your voice heard by local government but are not sure how to do it?

Add the Neighborhood Leadership Academy (NLA) to your resume. Get a fresh perspective on how to become more active in your community. The free, 16-week Miami Beach NLA provides residents with the information and resources to become more knowledgeable members and participants in our diverse community.

Become an effective neighborhood leader and kick start your community involvement. Graduates of the program have become homeowner's association presidents, City board and committee members, and have even been elected to public office.

Fall Session Begins
