

MIAMI BEACH

OFFICE OF THE CITY MANAGER

NO. LTC # **357-2016**

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

DATE: August 30, 2016

SUBJECT: **UPDATE ON THE INTERLOCAL AGREEMENT WITH MIAMI-DADE COUNTY FOR THE PROPOSED SOUTH BEACH TROLLEY SERVICE**

The purpose of this Letter to Commission (LTC) is to provide information with regard to the Interlocal Agreement with Miami-Dade County for the proposed South Beach Trolley service.

On July 20, 2016, the City Commission, after discussion, approved an amendment to the agreement with the City's trolley service provider to expedite the purchase and delivery of 12 low-floor trolley vehicles to be interspersed throughout the citywide trolley loops specifically to improve accessibility for the elderly and passengers in wheelchairs, subject to the County's approval of the Interlocal Agreement required for the City to operate this service. At that meeting, the City Commission delegated the authority to the City Manager to terminate the current Interlocal Agreement with Miami-Dade County for the South Beach Local service in connection with the negotiation of a new Interlocal Agreement for the South Beach Trolley route. Additionally, the City Commission authorized the Mayor and City Clerk to execute the final negotiated Interlocal Agreement and the amendment. Execution of the amendment and ordering of low-floor trolley vehicles is contingent upon execution of the Interlocal Agreement with the County.

The Interlocal Agreement for the operation of the South Beach Trolley service has been prepared by the County staff and reviewed/approved by both the County and the City Attorney's Offices (see attachment). The Agreement ensures no interruption of service between the termination of the South Beach Local and commencement of the South Beach Trolley service, as directed by the City Commission at the July 20, 2016 City Commission meeting.

City staff has been coordinating with the County for approval of the Interlocal Agreement by the Board of County Commissioners at its October meeting; however, given the referral item on the September 14, 2016 City Commission agenda to reconsider keeping the South Beach Local, I am deferring submittal of the Interlocal Agreement to the County until after the September 14 Commission meeting. This will defer the approval of the Interlocal Agreement by the County to November, should the City Commission remain in favor replacing the South Beach Local with the South Beach Trolley.

Please do not hesitate to contact me if you have any questions.

WHEREAS, the County's Department of Transportation and Public Works (DTPW) has reviewed the proposed route's alignment and service plan and agrees that it represents an improvement to mobility within the vicinity; and

WHEREAS, the proposed service requires the use of new vehicles which can take a minimum manufacturing time that may exceed the current term of the existing South Beach Local Agreement; and

WHEREAS, DTPW recommends any new service replacing the South Beach Local to align with a bus line-up in order to ensure a smooth transition of service (with line-ups occurring twice a year, in November and June); and

WHEREAS, this Interlocal Agreement involves the extension of the existing South Beach Local Interlocal Agreement until the next line-up upon all City's vehicles being delivered to the City and ready to operate.
